Women Braver Than Men

Women often do their daily tasks in home, office or factory while suffering pain and misery that would put a man in bed. However, much of women's suffering can be alleviated. Backache, sore muscles, stiff joints, rheumatic pains, dizziness and like symptoms are caused by disordered kidneys and bladder. Mrs. Thos. Davis, Montgomery, Indiana, writes: "I doctored several months without relief, when I commenced using Foley Kidney Pills, and got relief. Eight bottles cured me. Safe, harmless; quick results. Safford Drug Co."

ing required from this district. Eight sewing machines were secured and the work rushed thru. Before evening, thirty-six articles were completed, pressed and packed for shipment to the little unfortunates in France, besides other articles that were purchased ready made, such as hose, sweaters, etc.

The smiling faces of Mr. and Mrs. E. Larson are seen here again in Glenbar and before long a new bungalow will spring up, since Ephraim has arrived with his usual enterprising spirit. Bishop D. A. Matthews, in company with his nephew, Clyde, went over to the Sulphur Springs valley to procure seed corn, etc., and brought back some Egyptian wheat, which is a very good variety of grain to plant here, as it will grow with very little water. Larson Brothers will have some of this variety here to sell.

The Relief Society and Red Cross will give another dance here Wednesday evening for Red Cross purposes.

The Glenbar Sunday School has planned a May Day outing in the grove by Chas. Matthews' field.
